

Fowlmere Primary School

Newsletter - October 2022

Autumn has arrived!

It's been lovely to drive into the village each morning and see the wonderful colours of the Autumn trees. The days are definitely getting colder and it's good to see children arriving in warmer clothing. We will still be heading outside for playtime and PE, even if it is drizzling; so please make sure they come to school with wet weather coats on those days.

Kind regards, Mrs Hinton

The Big Question

The children in Owl Class have been working very hard on The Big Question; in particular the concept of Responsibility. As you know we have announced our House Captains and Vice Captains, but they have also been working with Ms Rouse to sign up for responsibility around the school and classroom. Keep it up Owls, you are showing great determination to develop your leadership skills.

School Council, House Captains and Head Pupil

Well done to everyone who put themselves forward for School Council and House Captains. We were overwhelmed by the number of children who ran for School Council and presented their manifestos with passion and eloquence. Congratulations to Emily, Harrison, Molly, Bjorn, Jasmine, Max and Villo for being voted on by your peers. Our houses are now named after the elements and are being led by Emily & Hazel (Water), Lilian & Jacob (Air), Sofia & Andreas (Fire) and Maisie & Josh (Earth). Finally, it was unanimously agreed that Maisie would represent the school this year as Head Pupil. I look forward to working with them all throughout the year.

Macmillan Coffee Event

Thank you so much for all your support and generous donations. We raised a magnificent £182.

National Poetry Day

This week we have celebrated National Poetry Day with the whole school writing poems and performing them in our Celebration Assembly. Here is my favourite by Owen, Thomas B, Millie, Thomas P and Grace from Earth House in Starlings.

Earth

**We thank you Earth
For all you've done
You are always such a
Nature – grower
Food – planter
Continent – creator
Home – giver
Flower – power**

**Amazing with all your granite
We call you Earth but you are a planet!**

Tips, advice, guides and resources to help keep your child safe online

As a parent or carer you play a key role in helping your child to stay safe online.

You don't need to be an expert on the internet to help keep your child stay safe online. The UK Safer Internet Centre has advice and resources to support you as you support your child to use the internet safely, responsibility and positively.

AND FINALLY.....

Have a safe and exciting half term when you get there.
